अथ शिव कवचं

atha śiva kavacaṃ

शृणु देवि प्रवक्ष्यामि कवचं सर्वसिद्धिदं ।

त्रैलोक्यरक्षणं नाम सर्वपद्मनिवारणं ॥

śṛṇu devi pravakṣyāmi kavacaṃ sarvasiddhidam

trailokyarakṣaṇaṃ nāma sarvapadvinivāraṇaṃ

Listen, Oh Goddess, as I elucidate the armor of all perfection,
the name which protects the three worlds, restraining all
negativity.

वक्त्रकोटिसहस्रैस्तु देवकोटिशतैरपि ।

कवचस्य गुणान् वक्त्रं नैव शक्तो महेश्वरः ॥

vaktraṭṭōṭisahasraistu devakoṭīśatāirapi

kavacasya guṇān vaktraṃ naiva śakto maheśvaraḥ
Not even hundreds or thousands of mouths, nor the Gods, nor
even Maheśvara, the Great Lord (or Great Seer of All)
Himself, possess the capacity to proclaim the qualities of this
armor.

ॐकारो मे मुखं पातु नकारः कर्णदेशके ।

मकारः पातु शिरसि शिकारो हृदये मम ॥

omkāro me mukhaṃ pātu nakāraḥ karṇadeśake

makāraḥ pātu śirasi śikāro hṛdaye mama

May the letter Om protect me in the face (or mouth), the let-
ter Na in the area of the ears. May the letter Ma protect the
crown of the head, while the letter Si will protect in my heart.

वाकारोनेत्रयुग्मे च यकारो बाहु युग्मक ।

अकारस्तु मुखे पातु उकारो हृदये मम ॥

We hit some cool beaches and camped at Isle of Palms; we camped in Myrtle Beach but it was at a strange beach/playground that wasn't really that great. They also served pizza and a lot of times there is a person outside with the oven. I think our phone... ... since about 4:30. Last Friday we went to the beach. Other than that we haven't done much. It's about a two hour trip to our

destination so that's pretty normal for us. We were supposed to arrive last night but that didn't happen, the bus stopped around 5:30pm and we got to our hotel at 6:30pm. Luckily I didn't have to wear my clothes or any of my stuff from San Diego... ... Why? Because we had to pay \$17.50 for the express ride. But for \$20 we could have taken a shuttle and not have paid this amount. In other words, the shuttle costs \$17.50 and there are three stops - the airport. It didn't look like we were going to make any of the stops. I spoke up and said, "You can only take us up to 60 mph." Well, it was only about...Q: Understanding of regular expression in parsing I am struggling to parse a text using regular expressions. Below is the sample text:
